REGISTRATION INSTRUCTIONS:

You will be able to register by going to the Devils Lake Park District website www.dlparkboard.org and clicking on the On-Line Registration Tab. If you have NOT already set up an account you will start by clicking on Create Account where you will be asked to set up your household information such as family member names, date of births, address, phone numbers, email and grade that your children are in. You will put the primary household person (Parent) in first and then click the button that says add additional member to enter in the other members of the family. Once this is completed you will be able to select the courses/activities that you need to enroll in. If you have already created your account, please be sure to check that your child's grade is correct as it will not let you register if your child's grade is not selected.

***Also please note that if there is a weather cancellation the number that will be called will be the number you have listed as your primary phone number under your household account.**

If you do not have access to a computer/internet you will still be able to come into the Recreation Office to register.
